**2018 RHS ATHLETICS
TIGER HOLLOW
SCOREBOARD FUNDRAISER**

Dear Business Leader:

Tiger Hollow Inc. is proud to support and further the education and athletic experiences of the children of Ridgefield through perpetual support of select capital projects at Tiger Hollow. We are excited to announce The Scoreboard Project.

The project has three components;

- A new scoreboard for Tiger Hollow 1 with an LED screen that will be able to provide instant replay, fan cams and prerecorded video that will enhance the fan and athlete experience and provide a platform for RHS high school students to potentially start an AV/Broadcasting club for members who can learn how to run/produce sports productions for online viewing of our sporting events. This student run production model started with great success at Darien and New Canaan this year and we know it will enhance our student's experiences. The TH1 scoreboard will be enjoyed by our RHS Football Team, Field Hockey Team, Boys and Girls Soccer and Boys and Girls Lacrosse teams as well as a large number of youth and community user groups. (\$225,000)

- A new scoreboard for the RHS Gym with an LED screen that will be able to display prerecorded video. This scoreboard can be enjoyed by our Boys and Girls Volleyball Teams and Boys and Girls Basketball Teams as well as youth groups. Also, when installing the updated scoreboard in the RHS gym the school will be able to move the existing one to the auxiliary gym which can then be used by wrestling. (\$65,000)

- A new LED scoreboard for the Varsity Softball Field, to complete the final stages of the renovation project to the softball facility. This would benefit both the RHS team as well as youth softball groups. (\$35,000)

The total cost of The Scoreboard Project is \$325,000. This includes all three scoreboards plus the additional equipment needed such as cameras and sound enhancements. Our goal is to order both the Tiger Hollow 1 and Softball scoreboards by January 1 so they may be installed by April 1st. The RHS gym scoreboard will be ordered in the spring with a July install date.

We believe the new scoreboard will continue to enhance the facility and maintain its status as a premier athletic stadium in CT. In the last 5 years we completed the installation of the second turf field at Tiger Hollow and added lighting.

Currently we have \$75,000 committed to this project. We are looking to move fast and are asking for your support and hope you will consider a donation.

Thank you,

Dane Street
Director of Athletics
