ABOUT TIGER HOLLOW

TIGER HOLLOW

Located on the Ridgefield High School campus in historic Ridgefield, Connecticut,

Tiger Hollow Stadium is one of the premier athletic stadiums in the area which supports both school and community events.

Ridgefield Athletics is as strong as ever and we look forward to another great season ahead.

Established in 2001 with the vision of Dave Landers and starting with a lead gift from The Bossidy Family along with support of the town, the newly built Tiger Hollow Stadium hosted its first game. 23 years later the community continues to benefit from private/public partnership that was created.

Since then, hundreds of business and individual families have contributed millions in donations or in-kind gifts to Tiger Hollow Inc, the charitable arm of Tiger Hollow Stadium. These gifts, support the continuing capital needs for our state-of-the-art sports facilities that is home to Ridgefield High School student athletes and youth of Ridgefield.

Most of what you experience comes from private donation. **Tiger Hollow 1 & 2 Fields, The Stadium Press Box/Concessions, Bleachers, Field Lights, Scoreboards, Maintenance Equipment, Weight Room, Irrigation System** and the list goes on. We are so grateful for community support for funding our other amenity improvements!
